

DENR Technical Guidance Document for Protection of Submerged Aquatic Vegetation Habitat

Approved by the CHPP Steering Committee

July 24, 2012

Prepared by DMF, DCM, DWQ, WRC, and DENR staff as a tool to assist agency staff when permitting or reviewing coastal development projects potentially affecting submerged aquatic vegetation.

Participating staff:

DENR – Jimmy Johnson

DCM – David Moye, Ted Tyndall, Mike Lopazanski, Tancred Miller

DWQ – Kyle Barnes

WRC – Maria Dunn

DMF – Katy West, Anne Deaton
